## VINHO VERDE

Meaning 'Green Wine', Vinho Verde is the largest wine growing region in Portugal. The cool, rainy climate yields wines known for their acidity, minerality, and often a light effervescence. Commonly known for its white wines, we are proud to represent some of the region's best.

|                                                                               | 125ML | 175ML | BOTTLE |
|-------------------------------------------------------------------------------|-------|-------|--------|
